

## **DECLARATION AND POWER OF ATTORNEY**

I, Philip C. Harris, declare:

I am a citizen of Canada and a resident of Calgary, Alberta, Canada, whose post-office address is currently 648 Lake Linnett Cr SE, Calgary, Alberta, Canada T2J 2J4; and as of August 30, 2003, whose post-office address will be 451 Lake Simcoe Cr SE, Calgary, Alberta, Canada T2J 5L3.

I believe myself to be the original, first, and sole inventor of the improvement entitled "Method of Converting Nitrogen Dioxide to Nitric Oxide" which is described and claimed in the annexed specification.

I have reviewed and understand the contents of the specification, including the claims.

I do not know and do not believe that the same was ever known or used in the United States before my invention thereof; or patented or described in any printed publication in any country before my invention or more than one year prior to this application; or in public use or on sale in the United States more than one year prior to this application.

Said invention has not been patented or been made the subject of an inventor's certificate in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to this application.

I acknowledge my duty to disclose information of which I am aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

No application for patent or inventor's certificate thereon has been filed by me or my legal representatives or assigns in any country foreign to the United States.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

I hereby appoint Frederick B. Ziesenheim, Registration No. 19,438; William H. Logsdon, Registration No. 22,132; Russell D. Orkin, Registration No. 25,363; David C. Hanson, Registration No. 23,024; Richard L. Byrne, Registration No. 28,498; Kent E. Baldauf, Registration No. 25,826; Barbara E. Johnson, Registration No. 31,198; Paul M.
